

CATEGORY: MSMEs & LARGE CORPORATIONS
Sustainable Operations and Excellence Award

This award recognizes a business that has systematically integrated sustainability into its core operations, demonstrating measurable improvements in resource efficiency, responsible sourcing, and environmental management across its value chain.

e.g. Significant reductions in energy and water consumption, Achieving zero-waste-to-landfill or near-zero waste operations, Ethical and sustainable sourcing of raw materials, Transition to environmentally responsible or low-carbon supply chains

BID ENTRY FORM

Name of Initiative	
Implementation Period (Start of integration in business operations - Month and year)	

Initiative Description (maximum 500 words) Please provide a brief overview of the sustainability initiative, including its scope, scale, and how it is integrated into your core operations.	
Initiative Objectives What environmental or sustainability issue does the initiative address? What are the primary and secondary objectives of the initiative?	
Key Activities and Implementation Approach What specific actions were undertaken to embed sustainability into your operations (e.g., resource efficiency, waste reduction, responsible sourcing, supply chain improvements)? How were these actions implemented across departments or facilities?	
Target Beneficiaries & Stakeholders Who directly benefits from this initiative (e.g., employees, suppliers, communities, customers), and approximately how many are reached? Which internal teams, partners, or external stakeholders are involved, and what roles do they play?	
Results and Outcomes What measurable or observable results have been achieved to date. Please include specific data or figures.	
Sustainability & Replicability How is the initiative sustained, monitored, and improved over time? Can this initiative be replicated by other businesses or sectors? Please explain briefly.	

Are there any other pertinent details, insights, certifications, or supporting information you would like to share that may assist in the evaluation of your entry?

Declaration and Certification
